## **Prevea Health and the Fox Valley's Neuroscience Group partner to provide neurosurgical and surgical spine care in Green Bay**

**Green Bay, Wis.** – Prevea Health and Fox Valley-based Neuroscience Group are pleased to announce a partnership that provides 24/7 neurosurgical and surgical spine care in the Green Bay community (effective July 1, 2022).

In addition to Neuroscience Group locations in the Fox Valley, the following Neuroscience Group neurosurgeons and spine surgeons now see patients at the Prevea Allouez Health Center, 1821 S. Webster Ave., and perform surgery at Prevea Health's partner hospitals – HSHS St. Vincent Hospital and HSHS St. Mary's Hospital Medical Center in Green Bay:

- Sumon Bhattacharjee, MD, FACS
- Andrew R. Greene, DO
- Alexander T. Hawkins, MD
- Randall R. Johnson, MD, PhD, FACS
- Robert M. Koffie, MD, PhD, MBA
- Philip A. Yazbak, MD, FAANS, FACS

"We are pleased to welcome these physicians specializing in complex brain and spine conditions to our family of care at Prevea," said Dr. Ashok Rai, President and CEO, Prevea Health. "Together, we will make high-quality surgical care for these conditions more accessible to those who need it in the Green Bay region."

Drs. Bhattacharjee, Greene, Hawkins, Johnson, Koffie and Yazbak specialize in a wide range of complex brain and spine conditions requiring surgical intervention, including but not limited to: Tumors of the brain and spinal cord, aneurysms, closed head injuries, scoliosis, herniated disc, compression fractures and low back pain.

"Our group is looking forward to bringing quality neurosurgical and orthopedic spine care to the Green Bay region," said Sumon Bhattacharjee, MD. "We've taken care of patients in the Fox Cities for more than 30 years and are excited about the opportunity to collaborate with our new partners at Prevea Health."
