Prevea welcomes urologist, Dr. Diana Lopategui Now caring for patients in Green Bay

GREEN BAY, Wis. – Prevea Health is pleased to welcome [Dr. Diana Lopategui](#), a fellowship-trained urologist now caring for adults in Green Bay.

Dr. Lopategui specializes in the treatment of conditions affecting the urinary tract, reproduction system and prostate glands. Her key services include the treatment of kidney stones; benign prostatic hyperplasia (BDH); urinary incontinence; and cancers of the bladder, kidney and prostate. Additionally, Dr. Lopategui performs vasectomies, addresses erectile dysfunction, and specializes in advanced procedures such as percutaneous nephrolithotomy for larger or more complex stones and holmium laser prostate enucleation.

“I strive to provide empathetic and compassionate care to all of my patients,” says Dr. Lopategui. “I assess the evidence on all options available so my patients can make informed decisions that best suit their individual priorities.”

Dr. Lopategui earned her medical degree from the University of Miami and completed residencies in urology and general surgery at Mount Sinai Medical Center of Florida. She is fellowship-trained in endourology and minimally invasive surgery from the University of Miami.

Dr. Lopategui sees patients at [Prevea Allouez Health Center](#), 1821 S. Webster Ave., Green Bay. At the Prevea Allouez Health Center, Dr. Lopategui joins Prevea urologists, including Drs. [Jennifer Burns](#), [B. Nicole Alavi-Dunn](#) and [Thomas Schlueter](#). Appointments with Dr. Lopategui can be scheduled by calling (920) 436-1359 or by visiting prevea.com.
