Prevea welcomes family medicine physician, Dr. Long Nguyen Now caring for patients in De Pere

DE PERE, Wis. – Prevea Health is pleased to welcome [Dr. Long Nguyen](#), a board-certified family medicine physician now caring for patients at the Prevea East De Pere Health Center, located at 3860 Monroe Road, De Pere.

Dr. Nguyen specializes in routine medical care for children, adults and the elderly. His key services include preventive medicine; medication management; women’s care; acute and chronic disease management; LGBTQIAP+ health care; osteopathic manipulative treatment; sports physicals; and minor office procedures including dermatologic procedures, joint injections and toenail removal.

“The best care I can provide is unique and individualistic to each patient,” said Dr. Nguyen. “It is a partnership to reach a common goal which is for better health and a better lifestyle. Each person at any given moment in time has a different set of goals, needs, and expectations, and that is how we will partner to reach the destination together. I am a physician sharing my expertise and perspective to the patient who can choose to follow some or all the outlined care.”

Dr. Nguyen earned his medical degree at Western University of Health Sciences, College of Osteopathic Medicine of the Pacific – Northwest. He completed residency at Family Medicine, Inspira Medical Center Vineland, in New Jersey and is certified by the American Osteopathic Board of Family Physicians.

Appointments with Dr. Nguyen at the [Prevea East De Pere Health Center](#) can be scheduled by calling (920) 431-1810 or by visiting prevea.com.
