UNITY HOSPICE TO OPEN EAST SIDE RESALE SHOPPE!

SEEKING VOLUNTEERS AND DONATIONS FOR SUMMER 2024 OPENING

Unity, Northeast Wisconsin's pioneering nonprofit healthcare provider, is excited to announce the expansion into a second Resale Shoppe location at 1302 S. Broadway in De Pere. This east side location, slated to open summer of 2024, will provide a meaningful place for the community to donate or purchase cherished household goods and clothing. The second Shoppe will enable Unity to reach new customers while enhancing customer convenience for those currently traveling to Unity Resale Shoppe West in Green Bay. The same level of quality merchandise will be offered at amazingly low prices.

Unity Resale Shoppe Manager Paakou Vang states "We are thrilled to open a second Resale Shoppe location which will provide even more funding to CommUnity Care, Unity's financial assistance program ensuring everyone, regardless of financial means, has access to our compassionate care. Your donations of upscale and unique home décor, furniture, housewares, clothing, jewelry and antiques are needed now to fill the new Shoppe!"

Donations for the new shoppe can now be accepted at Unity Resale Shoppe West, 1641 Commanche Ave, Green Bay during store hours:

Monday – Thursday: 10AM – 6PM

Friday: 10AM – 4PM

Saturday: 10AM – 2PM

Find more information about acceptable donations at www.unityhospice.org/resale-shoppe

Unity is also seeking fun, energetic, and friendly volunteers to fulfill the daily operations of the store which include receiving, sorting, pricing, staging, and merchandising items, as well as greeting customers and cashiering. Every volunteer role is equally important and significant to ensure Unity efficiently fulfills its mission: to honor life by bringing peace of mind and comfort when it matters most. Orientation for new volunteers will begin in June.

About Unity

Unity is Northeast Wisconsin's pioneering not-for-profit healthcare provider that offers a full complement of care solutions including nonmedical home care, supportive palliative care, hospice care, and grief support. With a commitment to seamlessly adapt care to the everchanging needs of each patient and family, Unity works tirelessly to enhance quality of life through innovative services and unique programs ensuring the wishes and goals of patients and families are always met. As the only locally owned and operated advanced illness provider in the region, Unity partners with area skilled nursing facilities, assisted-living facilities, and pharmacies, ensuring seamless care in all settings. Unity is the sole organization offering inpatient hospice at seven area hospitals and is a collaboration between Bellin Health, HSHS St. Mary's Hospital Medical Center, and HSHS St. Vincent Hospital. Established as the third hospice program in the nation, Unity launched Wisconsin's first palliative care program in 2002, the area's first hospice residence in 2007, the region's only Grief and Education Center in 2021, and the area's first pediatric hospice program in 2024.
