## GKM WI Announces Speakers for Sept Webinar

*Executives from two leading WI manufacturers to discuss Platform benefits.*

[GKM WI Global Supply Chain, LLC](#) (a Wisconsin Corporation), creators of The Wisconsin Platform, an innovative solution for intermodal traffic into and out of Wisconsin that increases supply-chain efficiencies, has announced that executives from two of the state's leading manufacturers will speak at the upcoming [Information Only Webinar](#) on September 30 at 10:00 am.

Executives who will appear on the upcoming webinar are:

- Ben Andrews, Senior Manager International Logistics; VOLLRATH, Sheboygan, WI; On-boarded WI Platform in 2016
- Andy Houtz, Director of Transportation; SCHOOL SPECIALTIES, LLC, Greenville, WI; On-boarded WI Platform in 2015

"Many manufacturers in Wisconsin are still seeking better practices to monitor variable costs associated with servicing TEUs," said Garry Moss, President and CEO of GKM WI and the creator of the Wisconsin TEU Intermodal Platform. "It is a great honor to have these executives join us to share their experiences with the Platform."

This is the first time information about the Platform will include Aerial Drone video footage of the GKM WI International Complex, proximity to Joliet Intermodal Center and the Interstate 80 artery that facilitates arrivals and

departures of TEUs. The event is complimentary to attend but registration is required. To find out more about the upcoming webinar or to register, [visit the company online](#).

### **About GKM WI**

GKM WI Global Supply Chain, LLC (a Wisconsin Corporation) was founded in 2015 when it gathered data and created a series of inter-woven Silos to provide short and long-term solutions for TEU Intermodal services to and from Chicago. Based on this research, the WI Platform was written and received copyrights from the US Trademark Office. On October 16, 2015, GKM WI conducted the first pilot in Illinois and began boarding clients. Since then, the Platform has saved manufacturers in Wisconsin millions of dollars. Not a single client has ever left the platform.
