MEDIA ALERT

Village of Allouez, WI

Libal Street Local Traffic Update

For Immediate Release

April 9, 2024

(Allouez, WI) **Libal Street** is anticipated to be closed to through traffic between E. St. Joseph Street to Kalb Avenue beginning **Wednesday, April 10** for the replacement of existing sanitary sewer. Segments of Libal Street that are currently closed will remain closed at this time.

A detour route will be signed as shown on the attached graphic.

During this closure, the contractor will maintain an open lane for emergency vehicles and local access to residential, commercial and business driveways. Access to Allouez Village Hall will also be maintained.

This work is weather dependent and is expected to last approximately one week.

The overall Libal Street Improvement Project corridor spans between WIS 172 and Kalb Avenue and the work will be completed under two projects. These projects include:

Utility Improvements: Currently underway through the mid-May (weather permitting), utility improvements include the replacement and lining of various segments of the existing sanitary sewer, replacement of existing water and sanitary sewer laterals from the main to the property line (STH 172 to Allouez Ave.), and spot repair of sanitary sewer manholes, and relocation of existing fire hydrants.

Street Improvement Project:

The work on this project is proposed to start as soon as the middle of May and be completed early in October.

In general, the scope of work includes the reconstruction of Libal St. from STH 172 to Allouez Ave. and the resurfacing of Libal St. from Allouez Ave. to Kalb Ave. The roundabout at Allouez Ave. is not part of the project and will remain open throughout the duration of the project.
