### **Mulva Cultural Center Celebrates First Anniversary**

De Pere, WI, Dec. 5, 2024 – On December 4, the Mulva Cultural Center celebrated a milestone—its one-year anniversary of inspiring intellectual curiosity and engaging the community in a variety of cultural, educational, and artistic experiences.

In the past year, nearly 70,000 visitors have walked through the Center’s doors. This includes over 42,000 people who experienced one of the traveling exhibits, more than 7,800 guests who enjoyed a film, and around 2,300 students who participated in field trips designed to inspire young minds.

“The community has really embraced us this first year and we can’t wait for everyone to experience all we have planned for the future,” said Marv Wall, President of the Mulva Cultural Center. “From exhibits exploring space and celebrating the Green Bay Packers’ history to educational programs, live music and an array of films, we are striving to create a space the whole community can enjoy.”

In September, the Center announced its 2025 exhibit schedule which includes:

- **Unofficial Galaxies: One of the Largest Star Wars Fan Collections in the World –**  
Opening January 25, 2025

- **Explore Your World** – Opening May 17, 2025
- **Top Secret: License to Spy** – Opening May 17, 2025
- **Life in Space** – Opening September 26, 2025

For the coming year, the Center remains dedicated to fostering creativity, learning, and connection within the community, with an exciting array of events, exhibits, and programs.

Mulva Cultural Center provides an unparalleled experience through a diverse array of traveling exhibits and programs consisting of history, culture, science, and the arts, which enlighten, enrich and entertain visitors all within an architecturally fascinating facility.
