ONEDIA COMMUNITY HEALTH CENTER EXTENDS MONDAY HOURS

March 3, 2025 – In response to recent feedback regarding its hours of operation, [Oneida Comprehensive Health Division \(OCHD\)](#) has extended its hours on Mondays.

As of Monday, January 6, the Oneida Community Health Center has been open on Mondays between 7:00 a.m. and 6:00 p.m. in order to provide more availability and flexibility for families and community members. Health center phone lines will also be available during these extended Monday hours. Please note that Tuesday through Friday hours will continue to be 8:00 a.m. through 4:30 p.m.

The extended Monday hours apply to the Medical, Dental, Optical, Pharmacy and Therapy departments at the health center, however, they do not apply to Behavioral Health, which is currently located on West Point Road.

“We appreciate all of the feedback provided by patients and community members through our hours of operation survey,” shared Deb Danforth Director of Oneida Comprehensive Health Division. “Community feedback helps us identify areas in which we can improve and adapt to the changing needs of our community. We are excited to implement these extended hours and look forward to sharing more updates throughout the year.”
