## Party for the Penguins: July 19<sup>th</sup>

The NEW Zoological Society and the NEW Zoo & Adventure Park invite you to waddle on in for the **Party for the Penguins** on **Friday, July 19<sup>th</sup> from 9:00 a.m. to 2:00 p.m.** Proceeds from this event will support conservation, with funds raised supporting African penguins through [SAFE: Saving Animals from Extinction](#). *This event is free with regular zoo admission.*

During our Party for the Penguins event, guests can enjoy a variety of fun activities, such as kids' games and crafts, penguin encounters, a Penguin Discovery Station, carousel rides, and more. Stop by the **Penguin Merchandise Sales Tables** to browse a selection of penguin crafts and gifts, including paintings made by our very own penguins! An **African Penguin Zookeeper Chat** will take place at 10:00 a.m. alongside the penguin habitat, and a public **Penguin Feeding** will take place at 12:30 p.m. by the penguin bridge.

African penguins are an endangered species whose population has declined by 97% since the turn of the 20<sup>th</sup> century. Penguins are vulnerable to pollution of their ocean habitat, and to human interference related to guano and egg collection, overfishing, and loss of their nesting sites to human developments.
