About Green Bay Botanical Garden

Green Bay Botanical Garden connects people with plants by providing year-round educational and recreational experiences for everyone in an environment that engages, inspires, and refreshes. First opened in 1996 and now featuring 47 acres of display gardens and natural areas, the Garden touches the lives of more than 200,000 visitors annually on average from northeast Wisconsin and beyond. For more information about other happenings, visit GBBG.org or call 920.490.9457.
