July 12th, 2024

Friends of Pals, Youth and Families is a proud recipient of the 2024 Green Bay Packers 2024 Impact Grant for \$250,000 towards Family Center Expansion

Green Bay, Wis. – Friends of Pals, Youth and Families is excited to share that they were selected as one of the 2024 recipients of the Green Bay Packer's 2024 Impact Grant. They have been awarded \$250,000 towards the expansion of their Family Center in Green Bay, which creates a safe and home-like environment for families to reunite and learn healthy home dynamics with supervision and access to helpful resources.

To help further educate the community on the Family Center and the funding needs for the expansion, an open house is set for Tuesday, July 30th from 6:00 – 7:30 PM at 1076 St. Agnes Dr., Green Bay, WI 54304.

"We are both honored and humbled that the Green Bay Packers believe in our mission to help children and families in Brown County on their path towards a safer and happier life," states Dana Kressig, the organization's Board Chair. "This impact grant will help us raise the remaining funds needed for our Family Center expansion project to serve more families and serve them in a broader capacity. Our group is run solely by volunteers, and I am so proud of our accomplishments. We have more work to do to complete this important project, but thanks to the Green Bay Packers and help from the community, this will be the largest project our organization was able accomplish and we are so thankful for the support."

To learn more about how to give involved in the Family Center Capital Campaign or other Friends of Pals, Youth and Families programs, please reach out to the organization via their website or email - Friendsopfpyf@gmail.com.

Dana Kressig (President of the Friends of Pals, Youth and Families Board of Directors), or Glen Tilot (Community Liaison with Brown County Health & Human Services Department) are available for interviews before the open house, pending schedules. We would also be open to media during the open house on July 30th.

###

About Friends of Pals, Youth and Families

Started in Green Bay, Wis., Friends of Pals, Youth and Families is a 501(c)3 non-profit organization that was started in 2018 to better serve the children and families engaged with Brown County Health and Human Services. From foster care, mentoring, shelter care, family

unification and beyond, learn more about their initiatives at www.friendsofpyf.org or by following Friends of Pals, Youth and Families on Facebook or LinkedIn.
