About Green Bay Botanical Garden

Green Bay Botanical Garden connects people with plants by providing year-round educational and recreational experiences for everyone in an environment that engages, inspires, and refreshes. First opened in 1996 and now featuring 47-acres of display gardens and natural areas, the Garden touches the lives of more than 209,000 visitors annually on average from northeast Wisconsin and beyond. For more information about other happenings, visit GBBG.org or call 920.490.9457.

Editors, please note: Captions follow photos below. Interviews, virtual interviews (i.e. Zoom, FaceTime, etc.), pre-recorded videos, story leads, and additional high-resolution digital images are available by contacting the media representative at the top of this release.
