Winter Hours Return November 1st

It's hard to believe that winter is coming with all this unseasonably warm weather, but November is almost here! The NEW Zoo & Adventure Park will return to **Winter Hours of Operation** starting on **Friday, November 1st**. The NEW Zoo will be open daily (including on all holidays!) from 9:00 a.m. to 4:00 p.m. and the Neil Anderson Canopy Tour will be open daily except on Thanksgiving Day, Christmas Eve, and Christmas Day, starting at 9:00 a.m. with the final tour departing at 3:30 p.m. The Adventure Park's Ropes Course, Ziplines, Climbing Wall, and Kids Course will be closed for the season, but groups can schedule private experiences through [advanced reservations](#). Fat tire bikes are also [available to rent](#) through the Adventure Park's Base Camp Building, with ski and snowshoe rentals coming as soon as conditions allow.

There's plenty of things to do during a wintertime zoo visit: **Penguin Feeding Experiences** are available every Saturday and Sunday at 12:30 p.m. and **Otter Feeding Experiences** occur every Saturday through Tuesday at 12:00 p.m. The popular **Snow Leopard Den Tours** are also available every Monday, Tuesday, and Wednesday at 10:30 a.m. They provide an inside look at the Lee & Kathy Anderson Snow Leopard Den and allow guests to learn more about how we take care of our leopards, Bodhi and Ahava. Tickets for all three experiences are [available online](#) or at the door when not sold out in advance. For guests wanting to spend some time with Zuri, Nigel, and Eddie, **Giraffe Feeding Experiences** are available most days from 10:30 a.m. to 12:30 p.m. and/or from 1:30 p.m. to 3:30 p.m. with the schedule for each day posted in the Zoo's main entrance building.

If you're looking to add a little something extra to your visit, consider booking a **Wild Encounter** with our Education Team, to get up close and personal with a wide variety of critters. Wild Encounters area available for groups of all sizes and people of all ages. To learn more about these programs or to make a reservation, visit newzoo.org.
